

## Lista de Phrasal Verbs

Embora o número de **phrasal verbs** seja praticamente ilimitado, apresentamos nesta seção uma lista detalhada dos **phrasal verbs** mais comuns da língua inglesa para lhe auxiliar na compreensão de cada um deles.

Na primeira coluna, apresentamos o verbo em inglês. O sinal <-> entre duas palavras significa que estas palavras são intercambiáveis entre si. *Sth* é a abreviação utilizada para *something* (algo) e *sb* é a abreviação para *somebody* (alguém). Na segunda coluna, o significado em português.

Na terceira, indicamos se o **phrasal verb** é separável ou inseparável, isto é, se é possível colocar o objeto entre o verbo e a partícula (partícula = pronome ou advérbio) ou não. Na quarta coluna apresentamos exemplo de uso no inglês.
